

How Ordering Semen Straws Works

There are several steps to receiving your semen straws order:

1. Send your completed form to the Treasurer via email or by post.
2. The Treasurer will send you an invoice for the full amount of your order including any handling and freight charges.
3. When payment of the full amount of your invoice is received the Treasurer will arrange for the delivery of your order.
4. On receipt of your order by someone other than yourself (ie vet or storage facility) have them contact you to confirm your order has arrived.
